Notes: Two terms of same college-level foreign language, with a grade of "C" or higher, are required for admission to Oregon University System universities. This requirement applies only to students graduating from high school in 1997 or later. This requirement may also be met by completing two years of same foreign language at the high school level. This is not a requirement for earning the Associate of Arts degree.* GPA admission requirements for the four year OUS schools are not necessarily satisfied with an AAOT degree. Please contact your school of choice for their requirement.
